

TAHITI TO FIJI: REEFS, LAGOONS & VOLCANIC ISLES

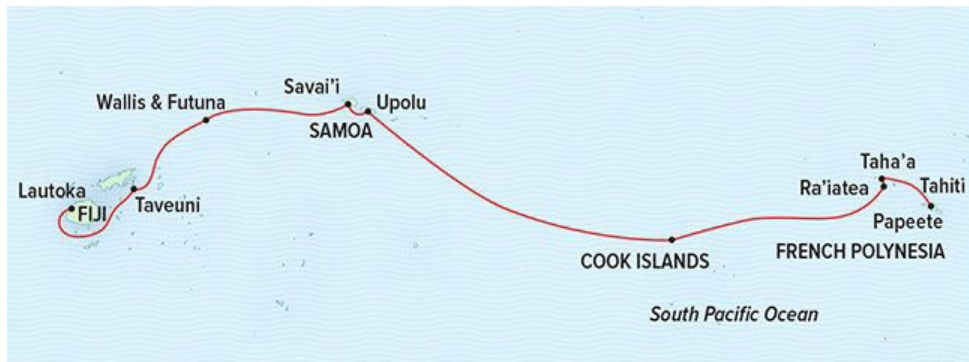

ABOARD *NATIONAL GEOGRAPHIC ORION* • **FEBRUARY 23 – MARCH 10, 2024**

DAY 1: LAUTOKA, FIJI / EMBARK

Arrive in Lautoka and transfer to a tour of western Viti Levu Island before embarking *National Geographic Orion*. (L,D)

DAY 2-4: EXPLORING FIJI

Explore Kadvadu's stunning beauty. Witness a dramatic firewalking ceremony at Beqa Island. Explore Taveuni, Fiji's third largest island, known as "The Garden Island" for its rich vegetation, which includes several species found nowhere else in the world. Experience warm Fijian welcomes at the village of Waitabu and snorkel in one of the Pacific's most successful community marine parks. Explore the waterfalls of nearby Bouma National Heritage Park and dive nearby reefs. (B,L,D)

DAY 5-6: WALLIS AND FUTUNA

One of France's South Pacific territories, the tiny island nation of Wallis and Futuna lies between Samoa and Fiji. In Futuna, stop at a historic "cannibal oven" and learn of the history of these fascinating people before a warrior dance performance in front of the Cathedral of Poi. In Wallis, we are greeted with local dancing and singing. Visit the beautiful crater lake Lalolalo and a cathedral built of blue volcanic stone and chiseled by hand. (B,L,D)

DAY 7-9: SAMOA / AT SEA

With its spectacular beaches and dense green foliage, hidden waterfalls and lava-sculpted landscapes, Samoa captures the essence of the South Pacific. During our time on these islands, hike through rain forests vibrant with flowers and birds, take a dip in a swimming hole, go snorkeling or diving, and soak up the languid rhythms of island life that drew Robert Louis Stevenson to these shores. (B,L,D)

DAY 10-12: COOK ISLANDS / AT SEA

Today we let nature be our guide as we discover the pristine Cook Islands. Perhaps snorkel or dive among colorful coral, or choose to kayak or stand up paddleboard in the warm, crystal waters. Then enjoy life aboard *National Geographic Orion* as we spend two days sailing west toward Samoa. (B,L,D)

DAY 13-14: AT SEA / RA'IAATEA / TAHA'A

Spend the morning on deck while at sea, mesmerized by deep, sea-blue water while scanning the horizon for marine mammals and seabirds. One of the most important cultural sites in the Polynesian world, Marae Taputapuata was a center for Polynesian seafarers and the location from which they set out for Rapa Nui (Easter Island), Hawaii, and New Zealand. Spend time exploring this site on Ra'iatea, then refresh yourself with a swim in the island's lagoon. We transit to the nearby island of Taha'a overnight.

Surrounded by a sparkling turquoise lagoon, Taha'a waters beckon: choose to snorkel, swim, kayak or just enjoy your surroundings from the white sandy beach. (B,L,D)

DAY 15: PAPEETE, TAHITI, FRENCH POLYNESIA / DISEMBARK

Arrive in Papeete and take a tour of Tahiti. Then join us for lunch at the Intercontinental Tahiti. Check into a day room to relax before transfers to the airport for your flight home.
